Dear Mrs. White,

The purpose of this letter is to express my interest in the Olympic Sports Marketing Coordinator position through University of Utah Athletics.

Although I'm still 17.5 credits away from receiving my Bachelor's Degree, I believe that I'm a very competitive candidate due to my years of experience within University of Utah Athletics thorough Marketing and The MUSS, as well as directly related experience working with the Salt Lake Bees.

This position fits perfectly within my background and skills, allowing me to take Utah Baseball and other Olympic Sports to the next level. I already have established relationships within the Athletics Department and University of Utah that would allow a seamless transition into the position.

Due to the fact that I have not yet received my Bachelor's Degree, **I am willing to do the job without pay until I am graduated** as a full time intern or undergraduate assistant. Upon graduation in May, I would then fully step into the position.

Thank you for your time and consideration. I look forward to hearing from you.

Sincerely,

Michael Rueckert
